Product Specification Sheet

Targus 15.4” Sport Backpack

Part #: TSB007US

Product Description:

The Targus Sport Backpack is designed to fit notebooks with up to 15.4” screens. The padded slipcase provides added protection when transporting your notebook inside the backpack and allows you to protect your notebook when transporting it quickly between meetings or in a suitcase while traveling. The zip-down compartment makes it easy to access multiple accessory pockets to store office supplies. The front pocket workstation includes a key clip, pen loops and pockets for a cell phone or PDA and CD player. A removable 8-slot CD/DVD sleeve is also included for added convenience. The front buckle design allows you to transport a jacket or sweater on the backpack. This case is a cost-effective solution for a student or avid traveler.
